

Staff Appreciation week is May 6-10. This is an event held annually to honor and appreciate teachers and staff for their contributions to education and the lives of our children. This year, the PTA has decided to continue the Fiesta from Cinco de Mayo right on throughout the week! Students are highly encouraged to join in on the festivities by following these rough guidelines.

***Monday May 6 - Thank you for helping us Bloom***

Each student, with the help of room parents, will present a flower to his/her teacher to create a bouquet to enjoy the entire week!

***Tuesday May 7- Ole! Ole! Start the Day with Café***

Teachers will enjoy starting their day with their favorite pick me up...caffeine! Espresso Elegance will be on campus to steam up their beverage of choice.
