[Affix student label here]

BEN FRANKLIN ELEMENTARY

"Franklin Warrior Run" is our school's major fundraiser. I am collecting donations which will help fund the PTA programs at our school. Your tax-deductible donation funds classroom academic resources such as science, math, reading materials, teacher development, student assemblies, art, music programs, library books, fun-filled family events and much more! On October 4th, I will show my school spirit by completing an obstacle course located on my school playground. If it rains – we will still run and rain ponchos will be provided. Will you please support my enhanced academic activities and make a donation? You can also make a donation **ONLINE** at [www.mybenfranklinpta.org](http://www.mybenfranklinpta.org). **Thank you for supporting my education!**
