

Ben Franklin Elementary PTA

Teachers/Staff Membership Registration Form 2016-2017

Welcome to the 2016 – 2017 school year at Ben Franklin; the PTA is excited to work with you! Teachers and staff at Franklin have shown amazing membership support in our PTA, and our goal is to continue membership at the 100% level this year.

Membership dues support child advocacy at the state and national PTA levels. PTA programs at the school are supported through fund-raising activities. Annual dues this year are \$15 for an individual or \$25 if another family member joins as well.

Some membership benefits are discounts to events at Key Arena, Wild Waves, or supplies at Staples and at FedEx Office. Access to those benefits is emailed along with membership confirmation upon your registration.

Please return this form to the office with a check attached, made payable to Franklin PTA. We look forward to a great year, and thanks for your membership!
